Day 7 Date: _____

☐ I saw it in the day ☐ at night ☐ clouds

★ How to fill in a day

1. Find the Moon: look outside with a grown-up, or watch the **Moon Update** live stream in class.
2. Color the **dark part** of the Moon with your pencil.
3. Leave the **bright part** white.

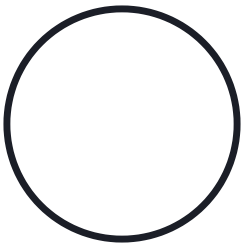

The Moon is safe to look at. Never look at the Sun!
